

## Research in the Practice of Management (RPM) 4

Date: 16th – 18th May 2012

Venue: Lagos Business School, Nigeria

### Target Audience:

The training course targets PhD students and or academic staff planning to register for PhD studies or those who are interested in publishing academic journals.

### Course Objectives:

Upon completion of the course, participants will be able to:

- i. Have the skills and knowledge require to kick start their PhD studies and thesis writing.
- ii. To share experiences and learn from experiences of others who have gone through the international journal publishing challenges.
- iii. To help participants publish a year from completion of the course.
- iv. To network with mentors and other participants who have the necessary skills , knowledge , experiences and attitudes for publishing in international journals

**Programme Chairperson:** Prof Sue Bruning, University of Manitoba, Canada

Sue Bruning, Ph.D. is a Professor of Business Administration at the I.H. Asper School of Business at the University of Manitoba in Canada. Her teaching and research specialties are in a number of areas of organizational behaviour including diversity, leadership, organizational change, teamwork, expatriation, workplace aggression, psychological contracts, healthy and safety in organizations and healthy organizations

Her interest in the Researching the Practice of Management (RPM) program is due to an interest in understanding more about the contextualization of management research topics. Sue has been involved in RPM since the beginning since 2009.

### Course Fee and Registration:

Early bird Registration is US\$500 if registered by the 1st March. Registration after the 1st March is \$600

The fee includes all conference materials, lunches and transport from the hotel to the Business School. Accommodation and dinners are for delegates own account.
